Mario and Viny Vitellone have been successfully operating Vita Italian Tours since 2002. They are both university educated. Viny is an experienced primary school teacher and teacher of Italian. Mario has taught Italian at a tertiary level and runs his own private school focusing on language, culture and travel. They are both bi-lingual, have lived and studied in Italy and have extensive knowledge of history, culture and the Italian way of life.

Vita Italian Tours is all about personalised service and we are committed to providing a comprehensive and rewarding experience for your students.

The features of our school program are:

- Our tour leaders **are reliably organised, experienced travellers, informed tourist guides and speak both Italian and English fluently**
- Our tour leaders have **extensive experience** teaching Italian history and culture and have much local knowledge
- **Itineraries are Individually tailored** to suit the needs and budget of your students or school
- Ongoing **extensive consultation between the school community** and the tour leader throughout the planning and preparation process is offered

- All **itineraries include a well balanced mix** of educational and cultural experiences as well as visits to famous landmarks
- **Fully inclusive packages** including airfares, accommodation, transportation, meals, language school experience costs and organisation of tours and events

- A **Language School experience** using only **accredited** schools in **Milan, Tuscany, Abruzzo, Umbria, Le Marche and Sicily** is a key part of your tour
- **Excellent accommodation** in 2/3 star hotels and family stay accommodation
- **Comprehensive pre-departure kit** for each student includes maps, emergency numbers and information on each place visited
